The Secret Adventures of Angel Fawn

“Cinderella meets Harry Potter”

A Sci-Fi old fashioned fantasy

Dream Snatchers Beware!

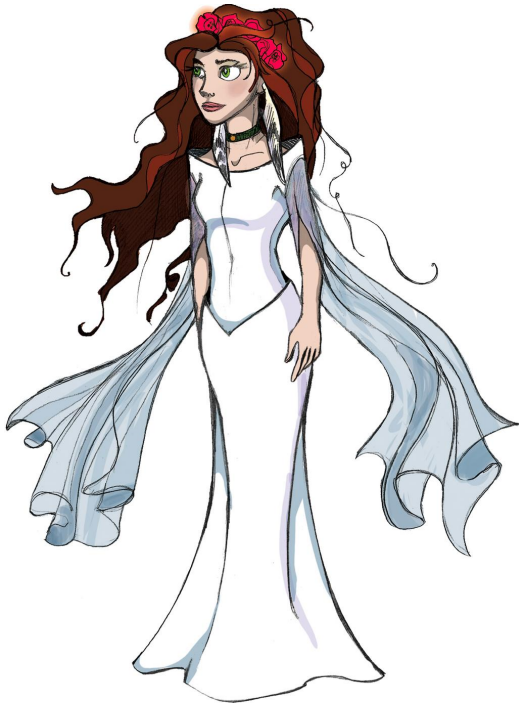

A magical love story that triumphs over evil. Colorful characters are twisted into the rise and fall of the Naysayer World. Angel Fawn, a secret superhero from another world, spends her life secretly preparing for this ordeal. While racing to the rescue of everyone, she finds a perfect love that will stand the test of time.

An enlightening journey that explains how greed and the misuse of power can corrupt even the most innocent and vulnerable. The victims? The Kingdom of Kenday slaves, cleverly trapped in a pearl mine by the unruly and misguided Madame Mothmeister.

An unbelievable mission, fraught with so many unpredictable stumbling blocks, has Angel Fawn using her treasure chest full of uncanny gifts to save the day.

Her best secret weapon, aptly named, “Blossom,” was a surprise even to herself. It's power ultimately transforms Madame Mothmeister into her former true self and reveals the real message of love and hope to all....
